## WRC SEASON 2025 – CALENDAR

European rounds highlighted in **Green**

(Overseas rounds highlighted in **Blue** will be **UNDER REQUEST** for dedicated quotation)

All-new stops in Spain, Paraguay and Saudi Arabia highlight a spectacular 14-round 2025 FIA World Rally Championship calendar.

After the traditional start amongst the glitz and glamour of Monte-Carlo in late January, the WRC will take in Africa, Asia, Europe and South America before arriving in Saudi Arabia in late November to complete the largest calendar in the championship since 2008.

“Alongside classic locations fans know and love, the introduction of new rallies in Spain, Paraguay, and Saudi Arabia adds even more excitement and reflects the global diversity of competitors and rally fans alike.” FIA President Mohammed Ben Sulayem
